

AKIRA
CH58030
CHANDELIERS

PROJECT

DESCRIPTION

For those who love texture and movement, the Akira Collection is sure to please. Folded black metal with a brush gold interior sets the tone in this modern artistic lighting element. Whether you're looking for a statement piece for a small space or a focal point made for sparking conversation, the various options in the Akira family are perfect. Each variation is socket based to easily choose a color temperature that fits your space and mood.
